No nude, sexually suggestive or violent photographs accepted. Only one (1) photo accepted in each Class. Black and white must be black and white- no sepia.

Please refer to these descriptions when deciding on entries.

Landscape

Landscape photography shows the spaces within the world, typically captures the presence of nature but can also focus on man-made features or disturbances of landscapes.

People

People photography explores the representation of an individual, couple or group of people in a variety of ways.

Animals

Animal photography is a photo where an animal or group of animals are the main focus. The animal (s) are the first thing you notice about the picture.

Still Life

Still life photography is a genre of photography used for the depiction of inanimate subject matter, typically a small group of objects moved and placed by photographer.

Other

Other photography is a catch all category that a photograph of any of the categories or combinations of categories can be entered.

Insects

Insect photography is a photo where the main focus is any insect, bee, spider, or butterfly

Experimental Photography

Experimental Photography is defined as using non-traditional techniques upon Photography. This includes anything from digital editing, altering darkroom developments, playing with camera settings or usage or making Art Collages.
